| Full name | |
| SCN Candidate no | |
| Cohort no | |

The evidence required for this can be taken from your assignments or by doing the Flix Rating app.

| ref | TASKS/ EVIDENCE REQUIRED | Done |
|-----|--|------|
| P 1 | During your second project you have worked as part of a team using Github . Take a screenshot of the contributors page to show the team you worked with. (Group Project) | |
| P 2 | Take a screenshot of the project brief , where provided. Where one is not provided, write a project brief which outlines the requirements of the program. (Group Project) | |
| P 3 | Using trello you should have a MOSCOW board of the work you carried out in the group project. Provide a screenshot of it. (Group Project) | |
| P 4 | Write an acceptance criteria for such things as, user interaction, API interaction and data storage, finding or display of data. | |
| P 5 | Create a user sitemap for this project, thinking about all possible pages. | |
| P 6 | Produce two wireframe designs showing user interface and interactions, what you have hoped it would look like. | |
| P 7 | Produce two system interaction diagrams (sequence and/or collaboration diagrams) | |
| P 8 | Produce two object diagrams to display the objects in your project and the interaction of data. | |

Authentication statement:

I verify that all the work presented for assessment is my own.
